

WEB SEARCH EXTENSIONS

ONLINE INTELLIGENCE

FOCUSED COVERAGE

- Cost-effective solution for enhancing coverage of your industry.
- Target key trademark-rich websites for your industry.
- Ideal complement to virtually any Thomson CompuMark search.

The web is one of the most important global sources for trademarks and brands. Thoroughly searching trademark sources on the web is of strategic importance. Our Web Search Extensions target key industry-specific websites to uncover relevant citations that could otherwise be missed.

WEB SEARCH EXTENSIONS

The easy way to add focused coverage of key trademark-rich websites to a variety of industries. You can add one or more Web Search Extensions to any Full Search, including Company Name Search or Industry Search, as well as Title Search products.
