Republic) (*)	South Africa	World Health		
Egypt	Sudan	Organisation (class 5)		
Ethiopia	Swaziland			

We closely follow up on the emerge of new countries with their respective industrial property. Our watch and ISS databases are regularly updated accordingly.

The trademarks filed under the former legislation of newly created countries or newly named countries continue to appear on our ISS lists under their former country names, and are automatically included when searching the countries under their new denomination.

(*) In these countries, trademark information is released on an irregular basis. New information is added as soon as it is available.
